5. In resolution of this matter, Mr. Nordwig consents to the entrance of the following Conclusions of Law and Order.

CONCLUSIONS OF LAW

1. The Wisconsin Board of Nursing has jurisdiction over this matter, pursuant to §441.07, Wis. Stats.

2. The Wisconsin Board of Nursing is authorized to enter into the attached stipulation, pursuant to §227.44(5), Wis. Stats.

3. By the conduct described above, Timothy M. Nordwig is subject to disciplinary action against his license to practice as a registered nurse in the state of Wisconsin, pursuant to Wis. Stats. sec. 441.07(1)(b), (c) and (d), and Wis. Adm. Code secs. N7.03(2) and 7.04(1),(2), (14) and (15).

NOW, THEREFORE, IT IS HEREBY ORDERED that the license of Timothy M. Nordwig shall be SUSPENDED for a period of not less than TWO (2) years.

(a) IT IS FURTHER ORDERED that the SUSPENSION shall be STAYED for a period of three (3) months, conditioned upon compliance with the conditions and limitations outlined in paragraph (b), below.

i. Timothy M. Nordwig may apply for consecutive three (3) month extensions of the stay of suspension, which shall be granted upon acceptable demonstration of compliance with the conditions and limitations imposed upon Mr. Nordwig's practice during the prior three (3) month period.

ii. If the Board denies the petition by Mr. Nordwig for an extension, the Board shall afford an opportunity for hearing in accordance with the procedures set forth in Wis. Adm. Code Ch. RL 1 upon timely receipt of a request for hearing.

(b) CONDITIONS OF STAY

i. Mr. Nordwig must maintain successful participation in a program for the treatment of chemical dependency at a health care facility acceptable to the Board.

As a part of treatment, Mr. Nordwig must attend therapy on a schedule as recommended by his therapist; attendance, however, shall be required at least four (4) times per month. In addition, Mr. Nordwig must attend Alcoholics or Narcotics Anonymous at least one (1) time per week.

ii. Upon request of the Board, Mr. Nordwig shall provide the Board with current releases complying with state and federal laws, authorizing release of counseling, treatment and monitoring records, and employment records.

iii. Mr. Nordwig shall remain free of alcohol, prescription drugs and controlled substances not prescribed for valid medical purposes during the period of limitation.

iv. Mr. Nordwig must participate in a program of random witnessed monitoring for controlled substances and alcohol in his blood and/or urine on a frequency of not less than four (4) times per month. If the physician or therapist supervising his plan of care or his employer deems that additional blood or urine screens are warranted, Mr. Nordwig shall submit to such additional screens.

Mr. Nordwig shall be responsible for obtaining a monitoring facility and reporting system acceptable to the Board, as well as for all costs incurred in conjunction with the monitoring and reporting required.

To be an acceptable program, the monitoring facility shall agree to provide random and witnessed gatherings of specimens for evaluation. The facility must agree to maintain a custody record of all specimens, and to confirm positive test results with gas chromatography or mass spectrometry. It shall further agree to file an immediate report directly with the Board of Nursing upon such failures to participate as: if Mr. Nordwig fails to appear upon request; or if a drug or alcohol screen proves positive; or if Mr. Nordwig refuses to give a specimen for analysis upon a request authorized under the terms of this Order.

v. Mr. Nordwig shall refrain from practice as a nurse anesthetist. On a date not earlier than one year following August 14, 1991, Mr. Nordwig may petition the Board to return to practice as a nurse anesthetist. The Board shall grant a petition by Mr. Nordwig to return to practice as a nurse anesthetist, provided that 1) from August 14, 1991 to the date of this Order, Mr. Nordwig complied with the terms of the Board's 7/16/91 Temporary Order; 2) from the date of this Order to the date of the Board's consideration of a petition under this paragraph, Mr. Nordwig has complied with the terms of this Order; and 3) a return to practice is supported by Mr. Nordwig's therapist. Approves his resumption of practice as a nurse anesthetist as described in ¶(b)(v) above.

vii. Mr. Nordwig shall refrain from practicing in any setting where he is without supervision by another licensed health care professional. At all times when Mr. Nordwig is practicing, another licensed health care professional must be immediately available to provide supervision and backup to Mr. Nordwig. Availability by telephone will not satisfy this requirement.

viii. Mr. Nordwig shall arrange for quarterly reports to the Board of Nursing from all work settings where Mr. Nordwig has practiced in the quarter evaluating his work performance; from the monitoring facility providing the dates and results of the screenings performed; and from his counselor evaluating Mr. Nordwig's attendance and progress in therapy as well as evaluating his level of participation at NA/AA meetings.

ix. Mr. Nordwig shall report to the Board any change in employment status, change of residence address or phone number, within five (5) days of any such change.

(c) Mr. Nordwig may petition the Board of Nursing at any time following one year after the effective date of this order to revise or eliminate any of the above conditions. Denial in whole or in part of a petition under this paragraph shall not constitute denial of a license and shall not give rise to a contested case within the meaning of Wis. Stats. §§ 227.01(3) and 227.42.

(d) Violation of any of the terms or conditions of this Order may constitute grounds for revocation of the stay imposed against the suspension of Mr. Nordwig's license. In addition, violation of any of the terms of this Order may result in the commencement of summary suspension proceedings against Mr. Nordwig's license, or the commencement of additional disciplinary action.

(d) This Order shall become effective upon the date of its signing.

NOTICE OF DENIAL

TO: Timothy M. Nordwig, R.N.
609 Labaree Street
Watertown, WI 53094

PLEASE TAKE NOTICE THAT the State of Wisconsin Bureau of Health Service Professions, having reviewed a petition for extension of stay of suspension of your license, and having reviewed the contents of the file in this matter, hereby denies the petition for the following reasons:

- 1) Your failure to submit complete work and monitoring reports, covering all employers and drug screens for the past period of stayed suspension; and
- 2) Your failure to maintain abstinence from controlled substances during the past period of stayed suspension.

NOW, THEREFORE, IT IS ORDERED that the petition of Timothy M. Nordwig, R.N. for the extension of stay is hereby denied and the license of Mr. Nordwig is hereby suspended effective May 9, 1991.

PLEASE TAKE NOTICE THAT under the provisions of the Board order dated January 19, 1989, you have a right to a hearing on the denial of your petition for the extension of stay if you file a request for hearing in accordance with the provisions of Chapter RL 1, Wis. Adm. Code. You may request a hearing within thirty (30) days after the mailing of this notice of denial. Your request must contain your name and address, the type of license for which you have applied, the reasons why you are requesting a hearing, the facts which you intend to prove at the hearing, and a description of the mistake, if any, you believe was made. Within twenty (20) days of receipt of a request for hearing, the board shall grant or deny the request. You will be notified in writing of the board's decision. The filing of a request for hearing on the denial does not act to stay the suspension of your license.

Dated this 7th day of May, 1991.

State of Wisconsin

NOTICE OF APPEAL INFORMATION

(Notice of Rights for Rehearing or Judicial Review,
the times allowed for each, and the identification
of the party to be named as respondent)

The following notice is served on you as part of the final decision:

1. Rehearing.

Any person aggrieved by this order may petition for a rehearing within 20 days of the service of this decision, as provided in section 227.49 of the Wisconsin Statutes, a copy of which is attached. The 20 day period commences the day after personal service or mailing of this decision. (The date of mailing of this decision is shown below.) The petition for rehearing should be filed with the State of Wisconsin Board of Nursing.

A petition for rehearing is not a prerequisite for appeal directly to circuit court through a petition for judicial review.

2. Judicial Review.

Any person aggrieved by this decision has a right to petition for judicial review of this decision as provided in section 227.53 of the Wisconsin Statutes, a copy of which is attached. The petition should be filed in circuit court and served upon the State of Wisconsin Board of Nursing

within 30 days of service of this decision if there has been no petition for rehearing, or within 30 days of service of the order finally disposing of the petition for rehearing, or within 30 days after the final disposition by operation of law of any petition for rehearing.

The 30 day period commences the day after personal service or mailing of the decision or order, or the day after the final disposition by operation of the law of any petition for rehearing. (The date of mailing of this decision is shown below.) A petition for judicial review should be served upon, and name as the respondent, the following: the State of Wisconsin Board of Nursing.

The date of mailing of this decision is November 12, 1991.

227.49 Petitions for rehearing in contested cases. (1) A petition for rehearing shall not be a prerequisite for appeal or review. Any person aggrieved by a final order may, within 20 days after service of the order, file a written petition for rehearing which shall specify in detail the grounds for the relief sought and supporting authorities. An agency may order a rehearing on its own motion within 20 days after service of a final order. This subsection does not apply to s. 17.025 (3) (c). No agency is required to conduct more than one rehearing based on a petition for rehearing filed under this subsection in any contested case.

(2) The filing of a petition for rehearing shall not suspend or delay the effective date of the order, and the order shall take effect on the date fixed by the agency and shall continue in effect unless the petition is granted or until the order is superseded, modified, or set aside as provided by law.

(3) Rehearing will be granted only on the basis of:

(a) Some material error of law.

(b) Some material error of fact.

(c) The discovery of new evidence sufficiently strong to reverse or modify the order, and which could not have been previously discovered by due diligence.

(4) Copies of petitions for rehearing shall be served on all parties of record. Parties may file replies to the petition.

(5) The agency may order a rehearing or enter an order with reference to the petition without a hearing, and shall dispose of the petition within 30 days after it is filed. If the agency does not enter an order disposing of the petition within the 30-day period, the petition shall be deemed to have been denied as of the expiration of the 30-day period.

(6) Upon granting a rehearing, the agency shall set the matter for further proceedings as soon as practicable. Proceedings upon rehearing shall conform as nearly may be to the proceedings in an original hearing except as the agency may otherwise direct. If in the agency's judgment, after such rehearing it appears that the original decision, order or determination is in any respect unlawful or unreasonable, the agency may reverse, change, modify or suspend the same accordingly. Any decision, order or determination made after such rehearing reversing, changing, modifying or suspending the original determination shall have the same force and effect as an original decision, order or determination.

227.52 Judicial review; decisions reviewable. Administrative decisions which adversely affect the substantial interests of any person, whether by action or inaction, whether affirmative or negative in form, are subject to review as provided in this chapter, except for the decisions of the department of revenue other than decisions relating to alcohol beverage permits issued under ch. 125, decisions of the department of employee trust funds, the commissioner of banking, the commissioner of credit unions, the commissioner of savings and loan, the board of state canvassers and those decisions of the department of industry, labor and human relations which are subject to review, prior to any judicial review, by the labor and industry review commission,

227.53 Parties and proceedings for review. (1) Except as otherwise specifically provided by law, any person aggrieved by a decision specified in s. 227.52 shall be entitled to judicial review thereof as provided in this chapter.

(a) 1. Proceedings for review shall be instituted by serving a petition therefor personally or by certified mail upon the agency or one of its officials, and filing the petition in the office of the clerk of the circuit court for the county where the judicial review proceedings are to be held. If the agency whose decision is sought to be reviewed is the tax appeals commission, the banking review board or the consumer credit review board, the credit union review board or the savings and loan review board, the petition shall be served upon both the agency whose decision is sought to be reviewed and the corresponding named respondent, as specified under par. (b) 1 to 4.

2. Unless a rehearing is requested under s. 227.49, petitions for review under this paragraph shall be served and filed within 30 days after the service of the decision of the agency upon all parties under s. 227.48. If a rehearing is requested under s. 227.49, any party desiring judicial review shall serve and file a petition for review within 30 days after service of the order finally disposing of the application for rehearing, or within 30 days after the final disposition by operation of law of any such application for rehearing. The 30-day period for serving and filing a petition under this paragraph commences on the day after personal service or mailing of the decision by the agency.

3. If the petitioner is a resident, the proceedings shall be held in the circuit court for the county where the petitioner resides, except that if the petitioner is an agency, the proceedings shall be in the circuit court for the county where the respondent resides and except as provided in ss. 77.59 (6) (b), 182.70 (6) and 182.71 (5) (g). The proceedings shall be in the circuit court for Dane county if the petitioner is a nonresident. If all parties stipulate and the court to which the parties desire to transfer the proceedings agrees, the proceedings may be held in the county designated by the parties. If 2 or more petitions for review of the same decision are filed in different counties, the circuit judge for the county in which a petition for review of the decision was first filed shall determine the venue for judicial review of the decision, and shall order transfer or consolidation where appropriate.

(b) The petition shall state the nature of the petitioner's interest, the facts showing that petitioner is a person aggrieved by the decision, and the grounds specified in s. 227.57 upon which petitioner contends that the decision should be reversed or modified. The petition may be amended, by leave of court, though the time for serving the same has expired. The petition shall be entitled in the name of the person serving it as petitioner and the name of the agency whose decision is sought to be reviewed as respondent, except that in petitions

for review of decisions of the following agencies, the latter agency specified shall be the named respondent:

1. The tax appeals commission, the department of revenue.

2. The banking review board or the consumer credit review board, the commissioner of banking.

3. The credit union review board, the commissioner of credit unions.

4. The savings and loan review board, the commissioner of savings and loan, except if the petitioner is the commissioner of savings and loan, the prevailing parties before the savings and loan review board shall be the named respondents.

(c) A copy of the petition shall be served personally or by certified mail or, when service is timely admitted in writing, by first class mail, not later than 30 days after the institution of the proceeding, upon each party who appeared before the agency in the proceeding in which the decision sought to be reviewed was made or upon the party's attorney of record. A court may not dismiss the proceeding for review solely because of a failure to serve a copy of the petition upon a party or the party's attorney of record unless the petitioner fails to serve a person listed as a party for purposes of review in the agency's decision under s. 227.47 or the person's attorney of record.

(d) The agency (except in the case of the tax appeals commission and the banking review board, the consumer credit review board, the credit union review board, and the savings and loan review board) and all parties to the proceeding before it, shall have the right to participate in the proceedings for review. The court may permit other interested persons to intervene. Any person petitioning the court to intervene shall serve a copy of the petition on each party who appeared before the agency and any additional parties to the judicial review at least 5 days prior to the date set for hearing on the petition.

(2) Every person served with the petition for review as provided in this section and who desires to participate in the proceedings for review thereby instituted shall serve upon the petitioner, within 20 days after service of the petition upon such person, a notice of appearance clearly stating the person's position with reference to each material allegation in the petition and to the affirmance, vacation or modification of the order or decision under review. Such notice, other than by the named respondent, shall also be served on the named respondent and the attorney general, and shall be filed, together with proof of required service thereof, with the clerk of the reviewing court within 10 days after such service. Service of all subsequent papers or notices in such proceeding need be made only upon the petitioner and such other persons as have served and filed the notice as provided in this subsection or have been permitted to intervene in said proceeding, as parties thereto, by order of the reviewing court.
